

ALL INCLUSIVE

■ **LOCATION:** Located in the heart of the Riviera Maya and near one of the best beaches of fine sand and turquoise waters in the Mexican Caribbean. The hotel has the Quality of Beaches certification, awarded by the Mexican Institute of Standardization and Certification (IMNC). Swimming in a beautiful natural pool or exploring the Black Lagoon in Sian Ka'an, visiting the archaeological remains of Chichen Itzá, declared a World Heritage Site, or checking out the beauty of Xcaret...these are just some of the options available to you in the hotel's vicinity. It is about 90 minutes drive from the Cancún International Airport.

■ **FACILITIES AND SERVICES:** The hotel's excellent services are impeccable down to the smallest detail; the good Mexican weather and beautiful beaches of the surrounding area invite you to relax and enjoy an unforgettable vacation. It has two lake-style swimming pools with a children's section and three outdoor Jacuzzis. The choice of sports either in the hotel facilities or on the beach as well as the hotel's wide range of activities leave no room for boredom. Golf lovers have an 18-hole course, while those looking for rest and relaxation can let themselves get carried away with body and facial treatments in the spa. In Hacienda Doña Isabel you'll find music and dancing. You can also use the facilities and bars at the Gran Bahía Príncipe Akumal and Gran Bahía Príncipe Tulum hotels (except the main buffets), located next to the hotel.

■ **ROOMS:** The 1,080 spacious rooms, with balconies or terraces, are located in beautiful three-storey villas set among extensive gardens. The spacious **Junior Suite Superior** rooms are fully-equipped with a sitting area and comfortable beds with two options: two full-size or one king-size. These rooms also have a sofa bed, a fully-fitted bathroom with hydromassage tub, magnifying mirror, amenities and hair dryer. Guests will also find direct-dial telephone (external calls with charge), satellite TV, air conditioning and ceiling fan, coffee maker, mini-bar, alarm clock, iron and ironing board, and safe (with charge). The **Junior Suite Club Golden** rooms have all these comforts plus 24-hour room service and evening turn-down, VIP bathroom amenities, bathrobe and slippers and a towel for the beach and pool. Guests of these rooms, who wear a different color "all inclusive" bracelet, are welcomed with a cocktail upon arrival at the hotel and can use the Private Club House, where they will also have Internet access and complimentary press during their stay.

■ **BAR AND RESTAURANTS:** The hotel offers buffet-style breakfast, lunch and dinner with dishes from international cuisine in the main restaurant, Kukulcan. There are five a-la-

carte theme restaurants, where you can sample the finest cuisine: specializing in signature, Italian, Japanese and Mediterranean cuisine. Three dinners per stay are included in the reservation - four for Club Golden guests - in the hotel's theme restaurants. American fast food can be found at any time of day in the two snack bars. A wide selection of drinks, beers and soft drinks can be found in any of the hotel's bars.

■ **SPORTS:** The hotel has an extensive program of activities and games to play in the pool and on the beach. You can also practice water sports (1 hour free per day) like windsurfing, snorkelling, kayaking, the thrill of sailing aboard catamarans and motorized water sports (with charge). Fans of soccer, basketball, volleyball and tennis can choose from various facilities, in addition to the gym. The Maya Riviera Golf Club is a mecca for lovers of the sport. This course, designed by the renowned Robert Trent Jones II, has 18 long holes and 9 executive holes among lakes, freshwater wells and the Mayan jungle. Guests, subject to reservation, get free green fees (cart rental required).

■ **WELLNESS:** In the Spa, guests will find a wide range of treatments for the face and body, which are based on ancient

Mayan recipes. The hotel has also an impressive hydrotherapy area with sauna, steam, Jacuzzi, waterfall, reflexology walk and sensation showers. There is also an area dedicated to hairdressing and another that is a beauty salon.

■ **ENTERTAINMENT:** The nights may go on longer than expected at the Hacienda Doña Isabel, where there are karaoke bars, a discotheque and venues offering live performances of tropical music. Every week the Hacienda hosts a Mexican Fiesta, which shows off the colorful folklore of the country. It's an event not to be missed.

■ **CHILDREN:** The entertainment team will delight little ones with its program of daytime and evening activities, designed especially for them, both in the swimming pools and in the Mini Club (from 4 to 12 years old).

■ **Also:** An internal tourist train provides easy access to all these facilities; and there's a pharmacy and 24-hour medical service (both with charge). Personalized menu options are available for celiacs and diabetics. We have an auditorium for business meetings. Specialized wedding, anniversary and event planning service. Free Wi-Fi in the lobby.
