

NEW STARTING IN SUMMER 2011

*“Enjoy the height of luxury
surrounded by nature”*

GRAN BAHÍA PRÍNCIPE

SIAN KA'AN ***** *Don Pablo Collection*

Riviera Maya
Mexico

ALL INCLUSIVE

■ **LOCATION:** This exclusive Hotel from the Don Pablo Collection line is located in the Riviera Maya, 90 minutes from Cancun International Airport and 35 minutes from the cosmopolitan Playa del Carmen. The Hotel stands in the middle of the "Maya Riviera Golf Club," an incredible course with 18 long holes and 9 executive holes, designed by renowned architect Robert Trent Jones II and surrounded by mangroves, freshwater wells and the most authentic flora and fauna.

■ **FACILITIES AND SERVICES:** The modern and minimalist style is evident in the Hotel Gran Bahía Principe Sian Ka'an, which captures the exclusive luxury of the Don Pablo Collection seal. It has extensive garden areas, where the flora and fauna of the region forcefully merge, offering strolls that are full of colour and freshness. Its four outdoor swimming pools have hammocks to give you moments of relaxation in an incomparable setting. Guests have access to and use of the facilities and services of the neighbouring Gran Bahía Principe Riviera Maya Resort Complex*****, and have an internal shuttle service every 5 minutes.

■ **ROOMS:** The Hotel is original and exclusive with only 420 spacious rooms surrounded by nature. The Junior Suite rooms have one king-size bed or 2 full-size beds, a balcony and a sitting area with a sofa bed or arm chairs. In addition, there are multiple accessories that will make you feel at home: coffee maker, iron and ironing board, alarm clock, mini-bar, air conditioning, ceiling fan, plasma TV with satellite, direct-dial telephone (external calls with charge). The bathroom, full of details, is equipped with shower, hair dryer, magnifying mirror and a set of VIP amenities.

The Junior Suite Garden rooms are located at the ground floor of each of the villas. They have all the amenities of the Junior suite rooms, but also have a cozy garden with a Jacuzzi. The minimalist atmosphere and all the facilities of the rooms remain in the Junior Suite Penthouses, located on the top floor of every villa. These rooms have an added luxury...a private Jacuzzi in their solarium. And, all clients can enjoy the exclusive services of the Don Pablo Collection.

■ **BAR AND RESTAURANTS:** The hotel features an international buffet restaurant for breakfast, lunch and dinner, three a-la-carte theme restaurants, five bars and a snack bar. Customers can travel through their palate to different places in the world and taste the best Caribbean soft drinks or beverages. You have various options to enjoy traditional dishes from international cuisine in the buffet of the main restaurant; try the best of Mediterranean cuisine; enjoy the unique atmosphere of the poolside sushi bar; or savour Japanese cuisine in the Tepanyaki speciality restaurant. Those who prefer American-style fast food can go to the 24-hour snack bar. They can also choose from the restaurants in the Gran Bahía Principe Riviera Maya Resort Complex*****.

■ **SPORTS:** Without a doubt, the Gran Bahía Principe Sian Ka'an is a true paradise for golf lovers. El "Riviera Maya Golf Club" has a spectacular design in a framework of 290 hectares of residential development, of which about 90 have been designed to accommodate the dramatic design of the course which owes its inception to the genius of renowned designer Robert Trent Jones II. Its first 27 holes are divided into two courses: the first has 18 executive holes with par 72, and the second has 9 executive holes with par 27. There's also an extraordinary driving range and 9 more executive holes which will soon complement this beautiful development. Players of all levels will find that the layout - besides being spectacular - is also a challenge. An experience that goes beyond golf.

In addition, the guests of the Gran Bahía Principe Sian Ka'an have, in the Gran Bahía Principe Riviera Maya Resort Complex*****, an extensive program of activities and games in the pool and on the beach. You can also practice water sports (1 hour free per day) like windsurfing, snorkelling, kayaking, the thrill of sailing aboard catamarans and motorized water sports (with charge). Fans of soccer, basketball, volleyball and tennis can choose from various facilities, in addition to the gym.

■ **WELLNESS:** The Hotel has its own SPA, which offers a wide range of treatments performed by specialized professionals who are focused on achieving maximum well-being. With a

design that invites tranquility, it is equipped with the latest technology for the safe enjoyment of customers. Health and beauty go hand in hand in our facilities.

■ **ENTERTAINMENT:** The Gran Bahía Principe Riviera Maya Resort Complex***** offers an entertainment program that includes a wide range of activities for all ages, including games, dance and live music. The little ones can enjoy a mini-club (from 4 to 12 years old). In the Hacienda Doña Isabel, a replica of a sixteenth-century colonial hacienda, guests will find a shopping and recreation center with terraces, bars, live music and a discotheque.

■ **CHILDREN:** The Gran Bahía Principe Riviera Maya Resort***** Complex is the perfect place for children to have fun, with several activities throughout the day. They can also play in the mini-club (from 4 to 12 years old). Baby-sitting service available (with charge). And at night, they have the mini-disco.

Also: Wi-fi access in the lobby included, medical visits and pharmacy (both with charge), wedding and anniversary service for families, couples and companies or groups of friends.

The Hotel offers a complete "all inclusive" system, which also gives the customer use of and access to all the facilities and services of the neighbouring Gran Bahía Principe Riviera Maya Resort Complex.
