

People's Safety, the Planet's Health

At the present time, as a consequence of the world health situation we are living through, we are reinforcing our hygiene, infection prevention, and health protocols, in accordance with the recommendations of the Spanish Government's Ministry of Industry, Commerce, and Tourism, and Ministry of Health, specifically aimed at the tourist industry, and other recommendations on the part of the governments of the countries we operate in, not to mention the guidelines issued by the World Health Organization, to guarantee people's safety, the health of the planet and to continue contributing to the Aims of Sustainable Development.

To guarantee a correct implementation of and compliance with these measures, which are detailed at an operative level in different Protocols that are specific for each department, we are setting up the following mechanisms of control:

Hygiene measures:

Before Playing

RESPECT

Respect the safety measures laid out by the Club.

AVOID

Avoid shaking hands, physical contact, etc.

RESERVATIONS

Make reservations online or by phone.

GREENFEES

Please pay your Greenfees online or by phone (using a credit card). The Clubhouse and our complementary facilities are currently, and will remain, closed.

BUGGIES

Individual or family use of Buggies is permitted. The Club staff will disinfect the Buggies before and after each use.

CARTS

The Club staff will disinfect manual and electric carts before and after each use.

GAMES

Games may be played by up to four people who must follow social distancing rules during the game.

DRESS CODE

All players must come already dressed in their uniforms as our facilities are currently closed.

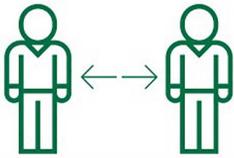

TEE TIME

Players should go directly from the parking lot to the first tee five minutes before their tee time.

During the Game

SAFE DISTANCE

People must keep a safe distance during the whole game.

DON'T TOUCH

It is prohibited to touch sinks, fountains, benches, etc. that are currently closed.

BUNKERS

The bunkers will be repaired as best as we can for the players without using rakes.

FLAGS

Do not touch or move flags from their holes.

HOLES

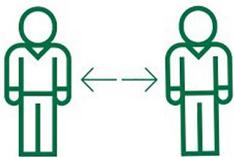

The holes should have covers to prevent the ball from falling into the hole. The player should try to get the ball from the hole as carefully as possible.

PLAY

Ready Golf, quick play, does not allow letting players go ahead to the next game.

After Playing

FINISHING UP

Avoid lingering goodbyes and any physical contact

CLEAN-UP

Do not clean golf clubs or shoes.

PARKING

We recommend going directly from the golf course to the parking lot.
